

# Your new member website is live!

Navigating the ups and downs of life can be challenging. On your program's new member website, you have access to the latest technology and a personalized, guided experience to advance the quality of your life. Visit [Member.MagellanHealthcare.com](https://Member.MagellanHealthcare.com) to get started!

Take an active role in managing your wellbeing with access to industry-leading and clinically validated services, tools and resources. Your member website can help make life a little easier.

## Key features

- ☑ **Personalized experience**—When you log in for the first time, you will answer a few onboarding questions about how you're doing. This information is confidential and used to create your personalized experience.
- ☑ **Find care**—Enhanced matching and quick-find capabilities will help you find the right provider for your needs.
- ☑ **Member dashboard**—Your answers to the onboarding questions will inform which content is presented to you, including links to services, articles, upcoming webinars and trending news.
- ☑ **Categories for Life, Mind and Body**—You can peruse the site to find information and benefits for a variety of needs including family, finances, legal, and mental and physical wellbeing.

## Get started today!

Your program is confidential and available at no cost to you and your household members. To get started on your wellbeing journey, visit [Member.MagellanHealthcare.com](https://Member.MagellanHealthcare.com).

- If you have an account on the old member website ([MagellanAscend.com](https://MagellanAscend.com)), you can use the same email and password on the new website. You do not need to register for a new account. Simply click on the "Sign In" button and proceed.
- If you do not have an account on the old member website/portal, please register for a new account by clicking on the "Sign Up" button.
