# What is Connect Nevada: Strengthening Youth, Empowering Families?

**It is a free program—provided by the Nevada Division of Child and Family Services and administered by Magellan Healthcare—for youth and families who qualify.**

Through the program, Nevadans receive life-changing support so that children can stay safely in their home, school and communities.

You can call Magellan at **1-833-396-4310** to find out if a youth qualifies for the program.
